LOVE IT & LEASE IT™

At Bugera Matheson Gallery you have choices. If you like what you see, you can choose to purchase it or lease it.

Our monthly lease rate is just 3% of the artwork price. Should you decide to keep it, you can put your lease payments toward your purchase*. It's that simple.

FLEXIBLE LOVE IT & LEASE IT TERMS*:

Lease your work-of-art for just 3% per month, and gain peace of mind knowing that your lease payment includes insurance.

You can convert your lease to a purchase anytime and receive credit for all your lease payments.

There is a carrying fee for purchases made after a longer term lease.

The carrying fee schedule is:

- Purchase between 7 and 12 months - 5% carrying fee applies.
- Purchase between 13 and 20 months - 10% carrying fee applies.
- Purchase after 20 months - 20% carrying fee applies.

No matter what option you choose, we provide consultation, delivery, installation and pickup at no charge*.

*Some restrictions apply
